Subject: Morrison Farm Committee Membership

Hello-

With respect to the membership of the Morrison Farm Committee, I would like to formally request 1) an increase from 7 to 11 in the full membership and 2) an increase from 2 to 4 in the associate membership.

- The current, sworn in membership is:

1. Bill Mullin, Chair
2. Bill Klauer, Vice Chair
3. Charlie Aronson
4. Andy Magee
5. Doug Tindal
6. Paulina Knibbe, and
7. Chip Orcutt,

With Kitty Cunkleman, Associate member, serving as temporary Clerk

- I expect Paulina will resign, which will leave us with 6 members; thus, a quorum will require 4 members to attend.
- I would like to add to full membership:
 - ✓ Kitty Cunkleman (from Associate)
 - ✓ Walter Foster, and
 - ✓ Peter Grover
- Assuming the new 11 member board, and net of Paulina, we will then have 9 full members and 0 Associates.
- I will be recruiting more members, but if we can get 15 "worker bees" (11 full; 4 associate) to participate week after week on our noble project, we should be ok, I think.
- I sent the VCC forms to Walter and Peter and asked them to get it going fast, but I did not hear back (probably vacations); but they are both very well known to the BoS, having served on multiple committees in town, so I am hopeful that their appointment could be expedited.

Please let me know your thoughts and if I need to do anything else.

Regards,

Bill Mullin
